## “WILD ORCHID ECO ADVENTURE, SIKKIM”, (9 days)

**SIKKIM** is one of India's smallest, and newest State. Until 1975 it was another Himalayan Kingdom wedge between another two Himalayan Kingdoms, Nepal and Bhutan on its west and east, with the vast Tibetan plateau enclosing it on the north. It lay at the foot of the mighty Khangchendzonga, the world's third highest mountain.

The state has beautiful landscapes, uncommon culture and unique Himalayan geographical topography. All these are congenial for the Eco Adventure Tourism in the state
